## Orthopaedic Hospital Admits Three Torrance Youngsters

Glenn D'Onofrio, 14, son of Mr. and Mrs. Joseph W. D'Onofrio of 741 Sartori Ave.; Betty Jean Plunkett, 9, daughter of Mr. and Mrs. William C. Plunkett of 23501 Madison St.; and Jackie Wooten, 7, daughter of Mr. and Mrs. Claud M. Wooten of 22033 S. Neptune Ave., have been admitted as patients at Los Angeles Orthopaedic Hospital, it was announced yesterday.

Torrance is one of the many Southland communities which sends its handicapped children to Orthopaedic Hospital to become straight and strong.

While the hospital serves private patients, no disabled boy or girl through the age of 21 who can benefit from orthopaedic care, is refused admission regardless of race, creed, place of residence or ability to pay. Since 1920, more than 70,000 crippled children have been cared for at Orthopaedic Hospital.

Although operational funds are provided Orthopaedic Hospital through such sources as the Los Angeles Community Chest, its capital funds for expansion and new building must be raised through public appeal, officials pointed out.

Residents of communities where children receive help are urged to support the institution's current fund drive for a new \$6,500,000 children's center, where care of the Southland's growing numbers of crippled children can be continued.
